Annual Mission Study at Liberty

The Woman's Missionary Society of Liberty Baptist Church will gather at the church at 7:00 P. M. on Novebmer 22, to study about Southern Baptist mission work in Spanish America.

Missionary and Mrs. L. C. Quarles, former missionaries to this area, will be present to lead this study. I projecting a picture of the area and the needs of the area, they will use slides, curios, and a ventriloquist doll.

To add to the atmosphere for the evening and to give a greater understanding and appreciation of the people and the area, there will be Spanish music, games, refreshments and displays of curios and items characteristic of the area.

LOCAL ASC OFFICE LISTS ACP PRACTICES

The enrollment period for the 1961 Agricultural observation program will begin on November 15, 1960, and extend through December 15, 1960. This announcement was made today by the local ASC Office.

The 1961 AC Program is similar to the 1960 program The government will share approximately 50 per cent of the cost of approved conservation practices carried out on individual farm.

Practices eligible for government cost-sharing include such practices as follows:

1. Initial establishment of a permanent vegetative cover for soil protection or as a needed land-use adjustment.
2. Establishment of additional acreages of vegetative cover in crop rotation to retard erosion and to improve soil structure permability or water-holding capacity.
3. Liming Farmland.
4. Contour Stripcropping.
5. Initial establishment of a stand of trees on farmland for purpoes other than the prevention of wind or water erosion.
6. Improvement of an established vegetative cover for soil or watershed protection.
7. Developing springs or seeps for livestock water as a means of protecting vegetative cover or to make practicable the utilization of land for vegetative cover.
8. Constructing dams, pits, or ponds as a means of protecting vegetative cover.
9. Improvement of a stand of forest trees on farmland.
10. Initial establishment of permanent sod waterways to dispose of excess water without causing erosion.
11. Constructing permanent open drainage systems to dispose of excess water.
12. Installing under ground drainage systems to dispose of excess water.
13. Constructing dams, pits or ponds for irrigation water.

Nicer

Things would be a lot nicer if people would be more ready to pat a fellow on the back instead of punching him on the nose.
—Sidney, Neb. Telegraph.

Too Absorbed

Some people are like blotters. They soak everything in, but get it all backwards.
—The Chicago Daily Tribune.

NOW! THE GREATEST SHOW ON WORTH!

Hot Air Sport Coupe. There's spa[ce] more head room in this trim new hardtop than in most big rooms, too—front and rear.

NEW-SIZE YOU-SIZE SIXTY-ONEDERFUL CHEVY

This '61 is built on the principle that the place you want space is *inside*. We put it there, too. Actually trimmed the outer size to give you extra inches of clearance for parking and maneuvering, and still worked wonders with inner space. Door openings are as much as 6" wider. Seats as much as 14% higher. We've thought of everything. Increased rear foot room by slenderizing the driveshaft tunnel. Worked in sensible new ideas all the way back through that huge bin of a baggage compartment. See how thoughtful this one is? Full of good new things. Full of good *old* things, too, like Chevrolet's well-known thrift and dependability. See it soon.

Brookwood 6-Passenger Station Wagon. One of 6 for '61. Rear seat features a one-six cargo area and a new concealed compartment.

Biscayne 6-Door Sedan—built to meet needs of those who want room and economy at low cost. Impala SS Chevrolet.

For big-car comfort at small-car prices

'61 CHEVY BISCAYNE 6

The lowest priced full-sized Chevy!

Biscaynes—6 or V8—give you a full measure of Chevrolet quality—yet they're priced down with many cars that give you a lot less!
